Harmony *in the home*

It's the most important living space of all, the beating heart of every house. It's where families come together, friends chat and couples unwind. At Symphony, we've created a collection to give you a kitchen that you'll love. A place where not just spectacular food, but memories are made and shared.

Welcome to Gallery.

50 years of expertise

50 YEARS

Highest Standards

Welcome to the Gallery brand of kitchens from Symphony, one of the UK's largest suppliers of fitted kitchen, bedroom and bathroom furniture. Symphony has been making kitchens in Britain for 50 years and are constantly investing in ways to improve the quality of our products to create the perfect living space.

Symphony Solutions Support

As the UK's top supplier of fitted kitchens for new build homes, we have the experience you need to help make your business a success. Our Symphony Solutions team will guide and support you throughout the progress of each site. With multiple service packages to suit you, plus 50 years experience in the industry, you can be assured that Symphony provides the right solution for you.

Quality Products

Symphony has quality control systems that are accredited to BS 9002 Part 2 and ISO 9001-2008, plus all Gallery kitchen furniture passes the FIRA Gold product certification. FIRA's ongoing auditing procedures continuously benchmark our performance, giving you the peace of mind that you are acquiring quality furniture that is built to last.

Manufacturing Excellence

Our capacity for supplying assembled cabinets is one of the largest in the UK. Our factory covers over 935,000 sq ft, offering built-in flexibility to meet changing demands. Symphony uses some of Europe's most advanced manufacturing and assembly technology; including a state-of-the-art paint plant, drilling and edging machines.

In harmony with the planet

With 50 years of experience we understand the importance of operating in a responsible, sustainable manner.

We are proud of our history of innovation and continuously review and enhance our operations to ensure that Symphony is a leading example of sustainability within our industry.

Sustainable Products

100%

Four decors use 100% recycled chipboard.

Almost half of our cabinet chipboard is from recycled material.

We ensure that our timber based wood furniture is sourced from responsibly managed forests and is FSC® certified.

100%

All of our plastic cabinet legs are made from 100% recycled plastic.

Sustainable Operations

Our vehicles are amongst the most fuel efficient on Britain's roads. Hybrid Electric Vehicles were added to our car fleet in 2021.

0%

None of our manufacturing waste is sent to landfill. We eliminate unnecessary waste and recycle the remaining waste.

Our manufacturing site is fueled by our 100% recirculation biomass fired boilers to optimise waste and minimise emissions.

New England

Kitchen design doesn't get any more traditional than a true in-frame cabinet. New England brings together classic craftsmanship with subtle detailing that adds sophistication to any space.

Inspired By English Country Living

New England

English country living mixes antique textures with a dash of modern. New England is the perfect choice of kitchen, which can be teamed with traditional country features or styled with a modern edge.

Smart storage

Stunning pantries look great in country style kitchens as well as providing fantastic storage space to house food, utensils, drinks, glasses and much more.

Island designs

An island is a focal part of the modern kitchen and is especially useful for cooking and entertaining as well as providing useful storage features such as shelving and pan drawers.

Display cabinets

Open display cabinets have always been an integral part of traditional country kitchens. New England features a range of choices to display your most treasured items.

A day in the life
of a kitchen

Breakfast

The most important meal of the day, whether it's sitting down to a hearty full English or a healthy fruit smoothie before you dash out the door, your day starts in the kitchen.

Lunch

An oasis in the middle of the day, trying new recipes from the internet or simply chatting with friends. Use your space the way you want.

Dinner

A romantic meal for two, teatime with the family or a dinner party with friends, your kitchen is where everyone can get together to enjoy good food and great company.

Relax

Bring harmony to the heart of your home and relax. Put the kettle on for a nice brew, invite a friend round or enjoy some time to yourself.

New York

New York is the perfect choice for urban living, its modern handleless style sits well with the use of abstract features such as steel, concrete and unfinished surfaces.

Inspired By Urban Living

New York

The sophisticated finishes of New York combined with the clever use of compact storage solutions and open floor plans, allow for multi-functional living.

Drawer storage

In a time when we strive to declutter for our overall wellbeing, storage is key. Pan drawers provide concealed storage and are a saviour for the aesthetic of our kitchens.

See more drawer organisers on page 138

Built in appliances

There is a need for appliances that fit around our lifestyles, are easy to maintain and require minimal upkeep.

Built-in appliances are hidden from view and provide a unique and modern twist.

Creative islands

With the move towards larger kitchens and open plan spaces, the island has become an essential kitchen feature.
