40mm Laminate Worktops

Hard-wearing and stylish, our 40mm laminate worktops are available in a postformed (3mm) radius or square-edged specification to add the perfect finishing touch. Choose from a wide range of colours and designs, all available with co-ordinating worktop upstands and splashbacks.

Please note that worktop joints may be conspicuous due to the variation of pattern and colour variation within each finish.

40mm Premium Worktops

Our premium worktops feature the latest trend-led laminate finishes with a contemporary 3mm front radius providing a modern flat profile. Premium worktops are available with matching worktop splashbacks and upstands to complete the look. *

*maximum worktop length 3600mm

Please note that worktop joints may be conspicuous due to the variation of pattern and colour variation within each finish.

22mm Square-edged Worktops

These stunning 22mm worktops feature subtle textured surfaces and are the cutting edge of laminate worktop design. The colour palette includes trend-led modern decors inspired by industrial stones, metals and striking timbers. Worktops are available in matching blenders, upstands and splashbacks. *

*maximum worktop length 3600mm

Please note that worktop joints may be conspicuous due to the variation of pattern and colour variation within each finish.

Glass Upstands & Splashbacks

A range of contemporary and subtle colours to suit any style of kitchen and complement our worktop selection.

STANDARD COLLECTION

This collection features the four core splashback colours.

GLOSS COLLECTION

Our Gloss Collection feature a diverse palette of colours that match and complement a variety of the kitchen finishes, accent open display units, and includes three metallic effect styles.

Inline Range

Inline kitchens present a modern linear style of kitchen design that features a stunning handle trim to the edge of doors and drawers. There is a choice of a brushed aluminium trim, brass, gunmetal or a matt black trim.

Cabinet Colours

A choice of cabinet colours are available on our 18mm colour co-ordinated Excel cabinets or our 15mm Vista cabinets that feature a white interior and either colour exterior.

The majority of ranges offer frontal-matched replacement cabinet ends on 18mm Excel cabinets. This is an alternative solution to having exposed cabinet sides or blender panels to create a fully co-ordinated kitchen.

Cabinet shown is a White Cabinet with Matt Smooth Charcoal replacement ends.
